RE: Serial No. 09/643203 - Attorney Docket No. Fatehi 37-21-20
Corrected Filing Receipt to show filing date is 8/22/00 instead of 8/21/00.

In response to your telephone conversation with Margaret Cardoso this date, attached is a darkened copy of the Filing Receipt which shows the date mailed for above application is the 22nd instead of the 21st. Also enclosed is the original transmittal letter which certifies this application was mailed by Kim Stone of Lucent Technologies on 08/22/00. Please make this change as soon as possible, since we need the correct date for foreign filing.

Also attached are previous correspondence requesting this correction, and a Change of Correspondence Address form.

Thank you for your assistance.

ASSISTANT COMMISSIONER FOR PATENTS
WASHINGTON, D. C. 20231**ATTENTION:** Office of Initial Patent Examination, Customer Service Center**SIR:****REQUEST FOR CORRECTED FILING RECEIPT**

Applicants have noticed an error in the Filing Receipt which issued in the above-identified patent application and should be corrected as follows:

Filing Date should be August 22, 2000.

A copy of the Express Mail Receipt is attached to establish this date. Since the carbon marking on the receipt is very light, the date does not appear on the copy, however, it is clearly seen on the original as 8 22 00.

Please note that applicants previously sent a similar request for a corrected filing receipt on October 25, 2000. Since we did not receive any response or our return-receipt postcard, we are therefore resubmitting this request.

Also attached is a copy of the filing receipt, with the correction indicated in red.

A corrected filing receipt is kindly requested.
